Technical Superintendent.  
Amalgamated Wireless (A/sia) Ltd.,  
97 Clarence Street,  
Sydney.

Dear Mr. Apperley,

At a meeting of the Board of Directors to-day I reported the excellent and highly successful effort put forward by you and your assistants on the 3rd, 4th, and 5th instants, when the Grant Opera performances were collected at Her Majesty's Theatre on behalf of Farmer's Broadcasting service and transmitted from the Willoughby Station 2-FC.

The excellent work done by each member of your staff was described, and the Board unanimously resolved to convey its congratulations to you and every member of your staff who took part in this remarkable and historic feat.

I would ask you to pass this on to the several gentlemen in your Department who were engaged in the work.

Yours faithfully,

E.T. Fisk.  
Managing Director.
